

Madison Public Library
transforming lives through knowledge and information

RSVP of Dane County & Next Chapter Present

**Medication Use in Older Adults:
The Good, the Bad and the Ugly**
Free Program: September 23rd, 7 pm Alicia Ashman Library

Highlights

- ◆ Learn how less medication can sometimes be more for older adults.
- ◆ Learn how to use medicine wisely and well

Alan Lukazewski, RPh,CDE,FASCP talks about how we can better use medications to live a high quality of life in late-life and manage chronic conditions at the same time.

The Next Chapter, dedicated to providing information on the challenges and opportunities of retirement, is sponsored by RSVP and the Madison Public Library.

Please forward this email to anyone you think would benefit from this talk!
